

worship@home study guide

“Serve with a Smile”

At “The Family Church”, we believe it is the parent’s responsibility to teach their children about Jesus. The worship@home study guide enables you to lead your children in a family devotion that will help your family apply the Pastor’s message at home. Choose a time that’s best for your family & enjoy!

Ice Breaker: What are 5 things you’re really thankful for this week?

Song Idea: If you’re happy & you know it!

Ask: What did you learn in worship on Sunday?

Read: Philippians 2:3-4 (*Ask your child to read*)

Ask: What do we learn from these verses? What should we NOT do in verse 3? (*Do things with selfish motives*) What does it mean to be “selfish”? (*We only think of ourselves & our own needs*) What does the writer encourage us to do? (*To think about others over us. Meet needs of others*) How do our servers at restaurants treat us? (*They “serve us” by finding out our needs & wants & then doing what they can to fully meet those needs*) Jesus said that he came to earth as a servant. How did He serve us? (*Gave his life for us, ignoring His own wants*)

Shout Out: Let’s shout out 7 ways we can serve our family!

Prayer: Father, let us not be selfish but humbly serve each other! AMEN

Family Time: Practice “Servant for a Day” this week. Each day pick out a family member that will be blessed by serving the family while they relax. (*Serving food & drinks at dinner, taking over some chores, doing something to bless other family members*) Have a Family Movie Night this week! (*As a possibility: Check out the “Nim’s Island” Movie @ pluggedinonline.com*)
